PANIC BUTTON ALERTS
EVERY SCHOOL DAY

32,000 K-12 schools nationwide trust Raptor
to help keep their students and staffs safe . . .

because it works

In one month alone, we caught and arrested 3 sex offenders using our Raptor system.

— Metropolitan Nashville Public Schools

“

Within 20 minutes of going live with Raptor Visitor Management, we flagged a sex offender.

— Rowan-Salisbury (NC) Schools

”

How safe is *your* school?

- ▶ Rowan-Salisbury (NC) Schools stopped a sex offender **within 20 minutes of going live** with the Raptor Visitor Management system
- ▶ St. Charles Parish (LA) Public Schools identified **7 sex offenders in the first year**
- ▶ Alhambra (CA) USD flagged **more than 2 dozen potentially dangerous individuals** in three years with the Raptor system
- ▶ Austin (TX) ISD **recovered \$4,000 per month in lost state funding** by using Raptor to track student attendance

The Raptor® Visitor Management system is part of the **only** fully integrated platform of Visitor Management, Volunteer Management, and Emergency Management solutions. 32,000+ K-12 schools nationwide trust Raptor to help keep their students and staffs safe -- more than all other school safety technology providers combined.

[C]ustody issues and legal orders are more and more common. Raptor notifies us of those situations instantly ...

— Austin (TX) ISD

“

With Raptor, we've identified more than two dozen threatening individuals attempting to enter our schools.

— Alhambra (CA) USD

”
